Deposit And Non-Refundable Fee Required:

¾-Inch Hydrant Meter: \$250.00 (\$225.00 is refundable) 3-Inch Hydrant Meter: \$1,000.00 (\$800.00 is refundable).
In addition, commercial water rates and base charges will be applied to usage.

I understand that if the City's Hydrant Meter is in any way damaged, tampered with, moved, removed, borrowed, or stolen, I agree to pay the City of Cumming 100% of the cost at the time of replacement of a new Hydrant Meter of similar size and type. Upon completion of this project, I will be responsible for notifying the City, returning the hydrant meter to City Hall, requesting termination of this permit and for paying the balance on the account for water used up to the date of termination. I agree to pay a deposit (\$250.00 for a ¾-inch or \$1,000.00 for a 3-inch) at the time of application for permit. I agree to pay the minimum water bill of \$20.00 per month and if my water usage exceeds 3000 gallons per month, I understand and agree to pay for water usage in excess of 3,000 gallons per month at the then current water rates. Taking water from the City of Cumming water system without prior written consent from the City constitutes theft of services and shall be punishable under applicable law. *Cumming Utilities Ordinance Section 70-44.* All water used by the permittee must flow through a city-issued hydrant meter with backflow prevention device. *Cumming Utilities Ordinance Section 70-45(b)* **Customer Initials:** _____
